Individualised training

Daily training sessions of at least 40 minutes in groups of maximum 5 athletes

- ✓ Players who opt for this will receive specific training sessions with highly qualified coaches who will be focused throughout the Camp on correcting, developing and deepening the correct technique.

CAMP OBJECTIVES

- ✓ Learning and consolidating **basic technical elements** in a unified manner for beginner athletes and those at an intermediate level of training.
- ✓ This programme focuses on unified training, positioning on the court, and physical training specific to each age and skill level.
- ✓ The emphasis is on learning **the fundamentals of the game** in a unified and correct manner in order to provide a solid foundation that athletes can use in future competitions.

CAMP OBJECTIVES

- ✓ It offers **personal development** programmes, which are so necessary for the progress of young players aged between 8 and 21.
- ✓ To create opportunities to participate alongside other Romanian and foreign athletes in developing volleyball skills and knowledge.
- ✓ To develop and educate volleyball coaches and players and provide them **with opportunities to train/play** at a higher level.
- ✓ Our desire is for every participant to have an enjoyable experience at the camp.

STAFF

- ✓ **CIPVOLEI SUMMER CAMP** is proud of its team of talented, qualified, dedicated and friendly coaches. We believe that a strong team of coaches will create a safe and positive environment for athletes to achieve and exceed their athletic and personal goals.
- ✓ We will have **surprise guests**, renowned coaches from **Europe**, in addition to Romanian coaches.
- ✓ They will personally lead all training and technical improvement sessions.
- ✓ As for the sport itself, our coaches are former or current professional players, current coaches or people with a high level of specific sporting skills who understand and apply the latest coaching methods.
- ✓ Our coaches love working with young people because they are aware that they can help positively influencing young people by building self-esteem, confidence and sporting skills and building social connections with other participants.
